Take a pumpkin. Oooh, it's very heavy! Put it down! Take a knife and cut the pumpkin in half. Now take a spoon and carve, carve, carve the pumpkin. Take a knife and cut, cut, cut the pumpkin. Now take it, all of it, and put it into the cooking pot. Pour some water. Stir. Add a little bit of salt, and a little bit of pepper. Mmm, it smells good! Pour coconut milk. Yummy, it's delicious! You can eat.
